1. About EIT Culture & Creativity

EIT Culture & Creativity is an initiative of the European Institute of Innovation and Technology (EIT). As a Knowledge & Innovation Community (KIC), EIT Culture & Creativity has been designed to strengthen and transform Europe's Cultural and Creative Sectors and Industries (CCSI) by connecting creatives and organisations to Europe's largest innovation network. During the 2023-2027 period, EIT Culture & Creativity will:

- Empower and connect creatives and innovators across Europe and contribute to a more resilient, more sustainable, and transformational sector.
- Unlock value from a multitude of stakeholders through technology transfer, improved cross-sectoral collaboration and their effective integration in production value networks.
- Strengthen artistic driven innovation as an indispensable part of the European Innovation Ecosystem.
- Reinforce the appreciation and anchoring of European values, and identities.
- Harness the unique position of the CCSI to facilitate Europe's Green, Digital and Social transitions.

EIT Culture & Creativity is the EIT's newest Knowledge & Innovation Community (KIC), bringing together 50 partners from 20 countries across Europe, enhancing the 'Knowledge Triangle' of research, education and business with civil society, to create a sustainable ecosystem for European Cultural and Creative Sectors and Industries (CCSI). Leveraging the sectors' diversity as a European way of innovation, the KIC will turn diversity into a strategy to strengthen CCSI's innovation transfer capabilities, simultaneously creating space to become more competitive and attractive globally.

Driving systemic changes, across and within key sectors, EIT Culture & Creativity focuses on CCSI's role as an enabler of delivery to cornerstone EU objectives set out in the Triple Transitions. While the KIC will support cross-sectoral innovations, it focuses on catalysing the transformative power of specific sub sectors with the highest impact for the Green Transition: Architecture; Culture Heritage and Crafts; Product, Process and Service Design; Fashion; Media, Audio-visual and Gaming.

By enhancing the 'knowledge triangle' of research, education and business creation, EIT Culture & Creativity connects leading organisations along the entire value chain from individual artist and designers to SMEs (small-to-medium enterprise) to established industry, academic and research institutions, as well as the public sector to promote entrepreneurship, innovation, education and cooperation in Cultural & Creative Sectors & Industries across Europe.

Before sending back your electronically signed document, please check the signature and validity of the certificate with one of the following tools:

- *DSS Demonstration validation tool available at <https://ec.europa.eu/cefdigital/DSS/webapp-demo/validation> can help you check the validity of a certificate by indicating the number and type of valid signatures in a document.*
- *EU Trusted List Browser can be consulted in order to check whether the electronic signature provider and the trust service it provides are part of European Union Trusted List: <https://webgate.ec.europa.eu/tl-browser/#>*

To make sure you use a QES compliant to eIDAS Regulation, you need to check that both the service provider and the qualified certificate generation service used are included in the EU Trusted List Browser.

2. Handwritten signature:

In case you do not have the possibility to sign the declaration using a qualified electronic signature (QES), please fill it in electronically, then print it and have it signed and dated by your authorised representative(s) using a hand-written signature.
