## Declaration of participation in EIT Culture & Creativity Community

The EIT Knowledge and Innovation Community (KIC) in the Cultural and Creative Sectors and Industries (EIT Culture & Creativity) is an institutionalised European Partnership initiated and funded by the European Institute of Technology and Innovation (EIT). In this regard, the Association and EIT Culture & Creativity GmbH, as the KIC Legal Entity representing EIT Culture & Creativity, have entered or will enter into the Partnership Agreement (PA) with the EIT, establishing a long-term cooperation laying down the general terms and conditions under which EIT Culture & Creativity shall operate as institutionalised European partnership.

While participants in the EIT CC Community **do not become a member of the EIT CCSI Association**, they confirm to respect, act and align in accordance with the provisions of the PA and its key principles of, *inter alia*, good governance, including, among others, good conduct, openness and transparency as well as anti-fraud and diversity.

The PA and the respective Internal Agreements are published on EIT Culture & Creativity's website (LINK TBC).

In the event that a community participant is in breach of its obligations under the PA as transposed in the Internal Agreements, the Association may decide to exclude a participant from the EIT CC Community.

**NOW, THEREFORE the applicant to the EIT Culture & Creativity Community hereby declares as follows:**

The applicant acknowledges that they have full knowledge of the Partnership Agreement, the AoA, the By-Laws, as well as any other Internal Agreements and rules of the Association.

The applicant hereby confirms that they will align and act in accordance with the AoA, the By-Laws, the Partnership Agreement, any other Internal Regulation, the decisions of the bodies of the Association and any further internal rules of the Association, each as applicable from time to time.

The applicant agrees to fully align with the vision, mission and objectives of the Association and the KIC Legal Entity in all its tasks under the Partnership Agreement, and the objectives set out in the EIT Culture & Creativity's Strategic Agenda.

The applicant hereby acknowledges that the Association reserves the right to not admit this application in case that the requirements of the Partnership Agreement, the Articles of the Association the By-Laws or other Internal Agreements are not fulfilled.

\* Rejections of the membership application will be made in written form indicating the objections and reasons for such rejections to enable the applicant to either overcome the obstacles of the rejection or to lodge an appeal against the rejection according to sect. 4.4. of the Articles of the Association.

**Signature and date:**

**By submitting the form you are formally applying to be a participant in the EIT Culture & Creativity Community.**
